

# Report on Beacon Media visit to schools October 2017

By Losalini Tuwere (Fiji) and Cheryl Reid (Australia): October 2<sup>nd</sup> – October 11<sup>th</sup> 2017

(Photos in order of our visits)

The literacy assistants have an encouraging manner with the children and are committed to their job. We also found head teachers and school staff to be very supportive. We were able to show the literacy assistants some extension work, particularly in the area of sight word games to play with the children, to give students a heightened sense of motivation.
