

Jesus First
A guide to character development

Confidence

I know that God loves me just the way I am. He created me in a very special way. I am special to Him.

Confidence is...

- knowing that I am special to God
- feeling sure that I am a very valuable person
- feeling good about my strengths, but not boasting about them
- knowing that I am not good at some things, and accepting it
- feeling happy about the way I am
- knowing that God loves me just the way I am
- being thankful to God for the way He created me

Activities

1. Design your own personal shield that shows the things you are good at. Draw symbols for things like music, cooking, drawing, or whatever you are good at.

2. Did you know that no one has the same fingerprint as you? You are special. Here's an art activity. Make some stamped fingerprint designs. Use a pen to draw around the fingerprints in the shape of an animal. Add legs, beak, tail or whatever you need to make your animal.

What does the Bible say about being special to God?

Psalm 139: 13-14 *I am wonderfully made.*

Matthew 10: 29-31 *Every hair of your head is numbered.*

Creativity

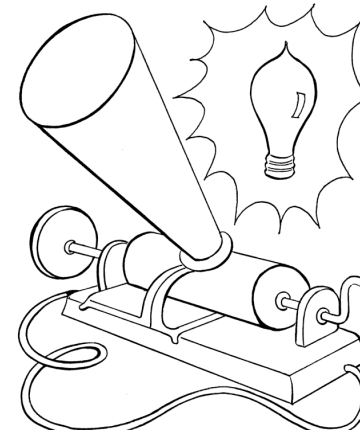

God is an amazing creator. He wants me to be creative too. He wants me to look for new and better ways of doing things.

Creativity is...

- asking the Holy Spirit to give me His ideas
- using my talents for God
- doing new things
- coming up with new ideas
- making things

Activities

1. Imagine that you are marooned on a desert island. You have your sailboat, which has been washed ashore. There are a few provisions... a bag of rice, a packet of matches, a water bottle and a tin of baked beans. Describe how you would survive for a week, as you wait for your rescuers to find you.
2. Devise some new and interesting ideas for spending a one-week holiday at home. Make a plan and show what you will do each day.
3. Design something original. It can be a piece of art, an article of clothing, a building, a playground or a new food dish.

Thomas Edison invented the electric light bulb!

What does the Bible say about being creative?

John 16:13 *The Holy Spirit guides us.*

Psalm 33:2-3 *Sing to the Lord a new song.*

1 Chronicles 28 *God gave the plans for the building of Solomon's temple.*

Flexibility

God is a creator and I am created in His image. God gives me new ideas. I do not always have to do things the same way.

Flexibility is...

- being willing to change
- not getting upset when things change
- agreeing that other people's ideas might be better than my own, and learning from the ideas of others
- not always wanting my own way
- listening to what others have to say, and learning from the good ideas that other people may have
- saying, "Your ideas just might be better than my ideas. I will listen and try to see your point of view."

Activities

1. Work with two or three other people. Design something together. It could be a playground, a new restaurant, a holiday resort, or something of your own choice. Work together and listen to each other's ideas. You have 15 minutes. At the end of that time, answer these questions:
 - Who had the most ideas?
 - Who had the best ideas?
 - Did you listen to everyone's ideas?
 - Were you flexible in accepting ideas other than your own?

2. See if you can find a creative way to solve this problem:
There is only one computer in the house and you need it to do your homework that is due in tomorrow. Dad says that he needs the computer for an important work project. Instead of throwing a tantrum, see if you can find a way out of your problem.
3. Here's a situation that will require flexibility:
You have invited some friends over to celebrate your birthday. You have either hired a movie or decided to watch TV. Suddenly there is a power failure. What will you do?

Question: How do I know which ideas are good ideas?

Answer: They are ideas that do not go against what God says.

What does the Bible say about flexibility?

God wants us to change our own ways to His ways.

Proverbs 3:5-8 *Trust in the Lord with all your heart and don't rely on your own good understanding.*
